DUMPSTER PERMIT APPLICATION

Pursuant to Ordinance 65, no construction dumpster shall be placed in a City Street or right-of-way without a permit. The following regulations apply to dumpsters placed on a public street or alley:

1. The dumpster shall be directly in front of or on the side of the property address utilizing the dumpster.
2. The dumpster shall not be more than eighteen (18") inches from the curb.
3. The dumpster shall not obstruct driveways of abutting properties.
4. The dumpster shall not obstruct traffic.
5. The dumpster shall not be placed on a city sidewalk.
6. The dumpster shall occupy the minimum possible number of on-street marked parking stalls.
7. A dumpster shall not be placed on a Public Street if on-street parking for vehicles is not allowed at that location.
8. The area around the dumpster shall be kept free of debris and litter, including nails, screws, etc.
9. Any dumpster producing or causing noxious, foul or offensive odors shall be immediately removed or cleaned to eliminate the odor.

Questions on dumpster placement may be directed to the Public Works Department.
