

## Auditorium Renovation and Community Center Expansion Update – October 2025

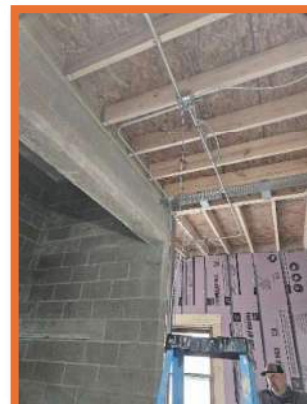

The following announcement is the second in a series of monthly updates intended to provide the citizens of Fountain City and surrounding areas with information on the progress of planned enhancements to the Fountain City Auditorium and Community Center. This important work is related to the \$1.7 million grant awarded to Fountain City as part of the Wisconsin Department of Administration's Flexible Facilities Program (FFP). The original announcement of the award and related information may be found on the City's website, here: <https://www.fountaincitywi.gov/fountain-city-awarded-1-7-million-grant-for-auditorium-renovation-and-community-center-expansion/>

### Exciting Steps!

It's been a little over three months since work began on July 1<sup>st</sup>, and the progress of renovating our auditorium continues to take important "steps" forward. Newly installed risers to our historically significant staircases are now in place throughout the building. Our framing construction is nearing completion, which means insulation is now being installed and drywall is soon to follow!

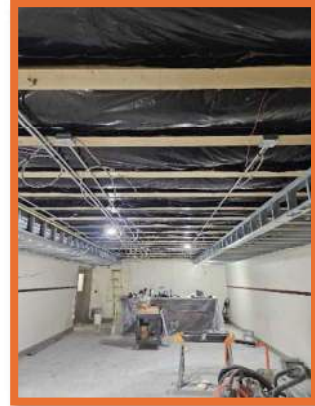

That all-important elevator infrastructure is nearing completion in anticipation of installation of our new lift, scheduled to be performed sometime just after the holidays.

Additional progress includes the continued installation of our upgraded, 21st century power and information transmission infrastructure. It's exciting to see the modern enhancements implemented with care and made without significantly altering the historical elements of the space.

Community updates on the progress of this exciting and important work will continue monthly. Please check back in with us as enhancements continue through the fall of 2026. Feel free to reach out with any questions or concerns via our City Hall email at [info@fountaincitywisconsin.com](mailto:info@fountaincitywisconsin.com) , or by attending a future meeting of our Common Council <https://www.fountaincitywi.gov/city-calendar/> .
