

## Auditorium Renovation and Community Center Expansion Update – February 2026

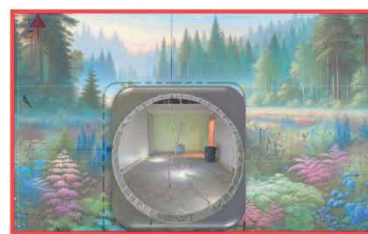

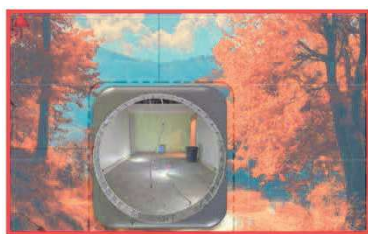

The following announcement is the **seventh** in a series of monthly updates intended to provide the citizens of Fountain City and surrounding areas with information on the progress of planned enhancements to the Fountain City Auditorium and Community Center. This important work is related to the \$1.7 million grant awarded to Fountain City as part of the Wisconsin Department of Administration's Flexible Facilities Program (FFP). The original announcement of the award and related information may be found on the City's website, here: <https://www.fountaincitywi.gov/fountain-city-awarded-1-7-million-grant-for-auditorium-renovation-and-community-center-expansion/>

Such a treasure of enormous new windows of all sizes and shapes! As you can see in the images below, we should have no shortage of natural light streaming into our newly renovated spaces. Its hard to believe such progress has been made in the past month.

Another exciting development includes the design and decoration of our nook space and adjoining walkways. Here are just a few images of the wall designs being considered to bring some natural and whimsical elements into our reading, relaxation, and imagination spaces. The real-time image of our "portal" has been superimposed.

## CITY OF FOUNTAIN CITY

Work also continues with the arduous task of sanding, mudding, and finishing the miles of newly installed drywall. Our team of talented workers have moved into the work of framing and installing ceilings.

Community updates on the progress of this exciting and important work will continue monthly. Please check back in with us as enhancements continue through the summer of 2026. Feel free to reach out with any questions or concerns via our City Hall email at [info@fountaincitywisconsin.com](mailto:info@fountaincitywisconsin.com) , or by attending a future meeting of our Common Council <https://www.fountaincitywi.gov/city-calendar/> .

In the meantime, a safe, peaceful and engaging end of winter (YAY!) to you and your families.
