

Auditorium Renovation and Community Center Expansion Update – March 2026

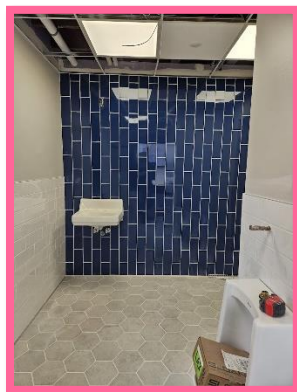

The following announcement is the **eighth** in a series of monthly updates intended to provide the citizens of Fountain City and surrounding areas with information on the progress of planned enhancements to the Fountain City Auditorium and Community Center. This important work is related to the \$1.7 million grant awarded to Fountain City as part of the Wisconsin Department of Administration's Flexible Facilities Program (FFP). The original announcement of the award and related information may be found on the City's website, here: <https://www.fountaincitywi.gov/fountain-city-awarded-1-7-million-grant-for-auditorium-renovation-and-community-center-expansion/>

Lighting and Tiles and Boards, Oh My!

The work of installation and cleaning of our new windows has been completed and WOW, the difference is amazing. Natural light is now pouring into the space and just imagine how these gorgeous (and so very functional) new elements will glow from the street, with one of our many, soon to be planned evening events in full swing.

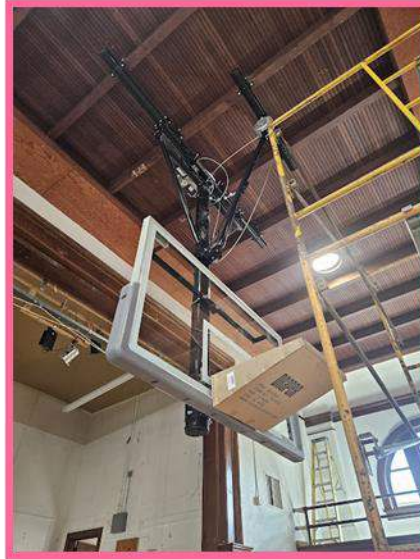

Great progress is also being made in the enhancements to our lavatory and hospitality spaces. The splash of blue tile really pops against the gleaming white background and warmer floor tones. The newer elements look lovely next to our more historically significant and carefully preserved woodwork and accents.

If you've been keeping up with our monthly updates, you may remember that our historic gymnasium is getting a significant revitalization and upgrades. The classic wood floor is going to be refinished and check out the brand-new basketball hoops, backboards, and hinge assemblies. Still only 10' off the court!

Community updates on the progress of this exciting and important work will continue monthly. Please check back in with us as enhancements continue through the summer of 2026. Feel free to reach out with any questions or concerns via our City Hall email at info@fountaincitywisconsin.com, or by attending a future meeting of our Common Council <https://www.fountaincitywi.gov/city-calendar/>.

In the meantime, an enjoyable early spring and Easter season to you and your families.
