

Auditorium Renovation and Community Center Expansion Update – April 2026

The following announcement is the **ninth** in a series of monthly updates intended to provide the citizens of Fountain City and surrounding areas with information on the progress of planned enhancements to the Fountain City Auditorium and Community Center. This important work is related to the \$1.7 million grant awarded to Fountain City as part of the Wisconsin Department of Administration's Flexible Facilities Program (FFP). The original announcement of the award and related information may be found on the City's website, here: <https://www.fountaincitywi.gov/fountain-city-awarded-1-7-million-grant-for-auditorium-renovation-and-community-center-expansion/>

A Whimsical and Inviting Space Takes Shape!

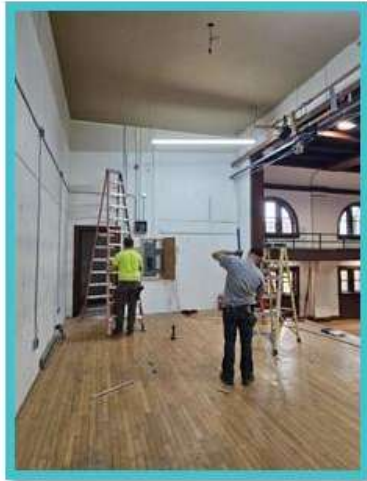

Progress on our renovations continues to accelerate and the character of each unique space is quickly emerging. The photos below highlight the gingerbread house bookshelves and peek-through portal, from inside the children's library and from the exterior hallway.

The new conference room is approaching readiness for furniture and fixtures, final selection of colors and textures have been made, and we can look forward to oodles of natural light and vibrant hues.

If you took your valuable time to vote in our April elections (thank you for that!!) you know that we were able to make room for you to engage in your civic duty and see some of our progress firsthand. You may even have seen our professionals hard at work, de-dustifying, polishing, and power washing. Perhaps you got to see Alex showing off his stilt-walking talents.

Community updates on the progress of this exciting and important work will continue monthly. Please check back in with us as enhancements continue through the summer of 2026. Feel free to reach out with any questions or concerns via our City Hall email at info@fountaincitywisconsin.com, or by attending a future meeting of our Common Council <https://www.fountaincitywi.gov/city-calendar/>.

In the meantime, an enjoyable weeding, mulching, and planting season to you and your families.
