Motion Barb, second David to approve the minutes of the June 3, 2025 meeting. Motion carried and minutes were approved.

Motion Peter, second Barb to forward a recommendation to council to raise garbage bag fees from \$3.50 to \$4.00 dollars. Motion carried unanimously.

Wastewater treatment plant, study complete UV treatment will not work in times off high water we will need to use more chemicals. Will need to prove out during the next high-water event. The DNR is aware and no further action is required now.

Planned public works projects for 2025. 17 projects, 7 complete, remainder are in progress or need to be completed later in the year. Good news, all came in at or under budget.

Road rating coming dew and will affect long term planning.

Recycling center hours. Need more information. Recycling center is becoming a large money drain. We need to look at and consider alternatives.

Possible portable / removable speed bumps. Look into price and legal issues.

Motion David, second Bard to adjourn, meeting adjourned at 6:20.

Ideas for 2026 projects:

Road work, Chip seal Wagner Road
New tractor with side arm mower
