

-DRAFT-

CONSTRUCTION DUMPSTER REGULATIONS

- Any construction dumpster temporarily placed in a City street or right-of-way shall require a permit. The permit shall be obtained from the City Clerk's office after paying the required fee of ???. The permit period shall be for a maximum of 30 days from the date of issuance. Additional permits may be issued after reapplying and paying the required fee. The permit shall be displayed in a weather proof manner on the dumpster. In no event shall a dumpster be placed on a city sidewalk.
- The name and telephone number of the owner of the dumpster and/or company that is responsible for the dumpster shall be displayed in a weather proof manner on the dumpster. All dumpsters placed on a city street must have reflective areas at each end.
- The city reserves the right to require the removal of a dumpster from a city street, including but not limited to, for snow removal purposes, for street cleaning, for public safety, for repair or reconstruction of public streets, sewer or water service. The determination as to removal of a dumpster shall be made by the public works supervisor.
