

Public Notice

The City of Fountain City will be starting
to flush

Fire Hydrants

STARTING ON

May 4 through May 8, 2026

You may experience some discoloration
and pressure surging due to the
flushing, don't be alarmed, this is
normal. Before resuming normal use
you may want to flush your pipes to
remove any discoloration.

If you have any questions or concerns
please contact the **Public Works Dept.** at
